Preparation

CRUNCHY BASE

Moisten but do not soak the cornflakes, then toast them in the oven.
Roast the nuts soaked in syrup at 170°C, stirring regularly.

In a mixer fitted with a flat beater, combine the almond puree and praline, then add the melted chocolate and cocoa butter.

Stir together the nuts, fleur de sel and cereals, then spread 82 g into the base of each mould.

ALMOND & VANILLA SPONGE - makes one 1.2 kg tray

Mix the ingredients in the food processor, add the whipped egg whites with the sugar, then add the butter.

Bake at 160°C for about 18 mins and use a Chablon stencil to cut (38 g).

VANILLA & GINGER CREAM

Infuse the scraped vanilla beans in the cold milk for 24 hours, then add the cream and ginger and heat.

Remove the vanilla beans.

Beat the egg yolks with the caster sugar until pale, then pour over the hot cream and cook at 85°C.

Pour over the hydrated gelatine and the white couverture chocolate.

Blend and refrigerate at 4°C.

CALAMANSI CARMEL

Heat the cream. Caramelize the glucose and caster sugar.

Reduce the cooking temperature with the cream, add the Calamansi juice, bring to a boil and add the hydrated gelatine.

Blend, add the butter and blend again.

VANILLA & CARMEL CREAM

Caramelize the sugar and glucose.

Reduce the cooking temperature of the infused cream with the vanilla beans, which have been split and had their seeds scraped out, then add the beaten egg yolks.

Cook at 83°C, then add the hydrated gelatine and pour onto the couverture chocolate. Blend, add the butter and blend again.

MANGO AND CALAMANSI COMPOTE

Combine the sugar and the pectin. Heat the pulp and the juice to 40 °C, then add the sugar and pectin mixture.

Bring to a boil and cool to 4 °C. Blend before using.

VANILLA MASCARPONE CREAM

Heat the cream with the vanilla beans, which have been split and had their seeds scraped out, and allow to infuse.

Beat the egg yolks with the sugar until pale, then pour over the cream and cook at 83°C.

Pour over the hydrated gelatine and Mascarpone.

Cool to 28 °C and incorporate the soft whipped cream.

LOWER ASSEMBLY
