Preparation

PEANUT CRUNCH

Chop the caramelised peanuts and roasted peanuts. Melt the chocolate. Mix everything together. Weigh out 15 g per 5 cm of baking mat.

PEANUT BISCUITS

Combine the softened butter, oil and peanut paste. At the same time, mix the dry ingredients with all of the liquid ingredients and lastly, add in the mixture of fat. Whisk the egg whites with the sugar, then gently add into the previous mixture. Weigh out 15 g onto a 5 cm baking mat. Bake at 170 °C for 20 minutes.

CARAMEL CREAM

Cook the sugar (1) until you obtain a caramel. Split the vanilla bean and scrape the seeds out. Infuse the milk with the vanilla, bring to the boil and use to stop the cooking process of the caramel. Next, make a crème pâtissière. Off the heat, add the hydrated gelatine. Then add the cold cubed butter and the fleur de sel.

MERINGUE CREAM

Heat the sugar and water to 120 °C, pour onto the egg whites, and make a meringue. Then, add the melted gelatine. At the same time, whip the cream with the vanilla until fluffy (soft). Once the meringue reaches 50 °C, add the whipped cream.

VANILLA WHITE GLAZE

Boil the water, sugar and glucose. Add the hydrated gelatine, and once melted, blend with the chocolate to an emulsion and lastly, add the cold cream and Caviani.

PEANUT DECOR

Heat the glaze to 30 °C, blend without incorporating air, then glaze the entremets desserts. Chop the peanuts and caramelised peanuts in half. Arrange randomly on the entremets.
