FLAVORING PASTE

COCOA

ALL THE INTENSITY OF COCOA'S FLAVOUR AND COLOUR IN A SPOONABLE PASTE

Our cocoa flavouring paste offers an intense flavour profile with roasted and powdery notes, adding character and indulgence to all your creations. It can be used in your custards, caramel, flans, mousses, brownies, biscuits, madeleines, and more.

Our cocoa flavouring paste blends easily into all your recipes. Its spoonable texture allows for simple and precise measurement.

A practical solution for creating and adapting your recipes with complete freedom.
